SCHOLARSHIP APPLICATION

Thank you for your interest in receiving a scholarship to a myTERMS summer camp! The myTERMS camp scholarships reflect our commitment to nurturing strong identity development in all girls, regardless of ability to pay. While the scholarships are primarily needs-based, we are also seeking applicants who would be most likely to benefit from the myTERMS Summer Camps.

To help us in the selection process, please answer the following questions, giving us as little or as much information as you would like. **Please submit your answers on a separate piece of paper with the number of the question, along with the registration application.** Answers may be hand-written (neatly please!) or typed.

Please note that scholarships will be awarded depending on the availability of funds. Also, scholarships defray 90% of camp fees for qualifying families. Scholarship recipients will pay \$20 per child.
